CHANCELLOR's
Message

I am delighted to share with you the establishment of Sharda University Agra, an institution that carries forward the esteemed legacy of the Sharda Group's world-class education. With the approval of the State Government through an Act of the State Legislature of Uttar Pradesh (12 of 2019), we have laid a strong foundation for our university's journey.

Our vision for Sharda University Agra is clear and ambitious. We aim to make Agra a global hotspot for learning, research, innovation, and entrepreneurship. With our rich heritage and the support of our dedicated faculty and staff, we are committed to providing an environment that nurtures academic excellence, fosters innovation and promotes entrepreneurial spirit.

I invite all of you to join us in this exciting journey as we strive to make Sharda University Agra a beacon of education and innovation in India and beyond.

Shri Pradeep Kumar Gupta has revamped the way education is imparted in educational institutions across India. He has also established Sharda Hospital in 2005 to provide hi-tech medical care at affordable cost to everyone. Going beyond boundaries, Sharda University established its firstoverseas campus at Andijan, Uzbekistan.

Shri Gupta is one of the founders of Education Promotion Society for India (EPSI) and also its past President. The then Hon'ble President of India nominated him on the Board of Governors of National Institute of Fashion Technology.

Distinguished awards conferred on Mr. P.K. Gupta

PRO-CHANCELLOR'S
Message

I am thrilled to announce the establishment of Sharda University Agra, an institution that upholds the esteemed legacy of the Sharda Group's world-class education. With the endorsement of the State Government, granted through an Act of the State Legislature of Uttar Pradesh (12 of 2019), we have set forth on a promising journey.

Our vision for Sharda University Agra is both clear and ambitious. We aspire to position Agra as a global epicenter for learning, research, innovation and entrepreneurship. Drawing from our rich heritage and backed by the unwavering commitment of our dedicated faculty and staff, we are steadfast in our mission to cultivate an environment that champions academic excellence, encourages innovation and nurtures an entrepreneurial spirit.

I warmly invite each one of you to be part of this exhilarating journey as we work together to establish Sharda University Agra as a shining beacon of education and innovation, not just in India but on the global stage.

Shri Y.K. Gupta is a renowned educationist, social leader and a visionary industrialist who has traversed a tough road to the position he holds in Sharda University.

Shri Y.K. Gupta has put immense efforts to do pioneering work for his hometown, the city of Taj Mahal. He groomed Agra as a centre of excellence in technical education and provided the students better learning opportunities without any boundaries.

Agra for the world means the city of Taj Mahal but for Indians, Agra holds significant importance in Hindu mythology and religious traditions. While Mathura is associated with Lord Krishna's birth, Agra and its surrounding areas are also part of the Braj region where Lord Krishna spent his childhood.

Agra has been a beacon of learning and knowledge dissemination for centuries. The city's educational journey witnessed a transformative phase in the last two centuries with the establishment of notable institutions. Agra College, founded in 1823, and St. John's College, founded in 1850, have been instrumental in shaping Agra's educational landscape. These institutions provided quality education and fostered intellectual growth making Agra a hub for academic excellence in the region.

The founders of Sharda Group, with their deep-rooted connection to Agra, embarked on a mission in 1996 to rejuvenate the city's reputation as a centre of educational excellence. Through the establishment of high-quality institutions in Agra and Mathura, they have successfully created new centres of excellence in education, research, and training.

In 2009, Sharda University was established in Greater Noida, offering 130+ globally recognised programmes. Going global, Sharda Group established the first offshore campus of Sharda University in Uzbekistan in the Andijan region in 2019.

Carrying forward the rich legacy of world-class education, Sharda Group has now established Sharda University Agra which has been approved by the State Govt through an Act of the State Legislature of Uttar Pradesh (12 of 2019). Sharda University Agra is envisioned to make Agra the global hot spot for learning, research, innovation and entrepreneurship.

Taru Pallav Mitra Club (ECO CLUB)

Taru Pallav Mitra Club (Eco Club) plays an important role in creating environmental awareness amongst the students, staff and faculty members This club is a voluntary group which promotes the participation of students in learning about the protection of environment. It also enables the students to be sensitive towards environmental concern to tackle environmental problems.

Technical Paper Presentation Club

The club aims to technically strength the students by integrating their skills in the various fields of Engineering and Technology, so as to cope-up with the highly competitive environment.

The club consists of self-motivated students of almost all branches, who want to learn, share and grow with others in the field of technology. There is only one requirement for joining the club, i.e. Interest in Technology.

We believe in a practical & interactive way of learning.

Students Spiritual Development Club (SSDC)

The objective of Students Spiritual Development (SSDC) is to support and advance the exploration and expression of spiritually, values and deeper spiritual dimensions of life. SSDC is blend of individuals coming forward voluntarily from different streams of B. Tech, BBA, BCA and MBA with an aim to lead a happy and peaceful life. Spiritual club has been a wonderful channel for self-expression, to vent and consolidate the ideas. The club is at the forefront in coordinating spiritual events on campus as well as hold Saturday/Sunday spiritual sessions for its members.

Theatre Cine Club

Our college has taken the initiative to create a Theatre Cine Club that aims to promote critical thinking and analysis of visual narratives. The club provides a platform for students to develop their cognitive skills by watching selected film shows that reflect societal values and issues. Through this, students can gain a better understanding of literature, social dynamics, team spirit and various socio-cultural movements.

ANAND SCHOOL OF ENGINEERING & TECHNOLOGY
[ASET]

Established with a vision to provide quality education and produce top-tier engineers capable of making a mark globally, ASET has evolved significantly since its inception.
