VISITED ABHAYPURA VILLAGE

Students of ASET-Sharda University Agra Visited Abhaypura Village to Spread Awareness about Mahakumbh 2025 and address rural Challenges. As part of a community connect initiative organized under the leadership of Prof. (Dr.) Jayanthi Ranjan, Honorable Vice-Chancellor of Sharda University Agra, students from the university visited Abhaypura village with the dual objectives of raising awareness about Mahakumbh 2025 and understanding the challenges faced by rural communities, particularly in the farming sector. The initiative, led by Prof. (Dr.) R. Swaminathan, Dean (ASET), aimed to deepen the student's understanding of rural society while fostering problem-solving and innovative thinking. The visit began at Narayana International School, where students attended an enlightening session on the importance of organic farming. This session emphasized sustainable agricultural practices, setting the stage for the day's activities. Following the session, the students engaged directly with villagers and farmers to gain firsthand insights into their lives and struggles.

TRAINING PROGRAM ON GLOBAL TRANSITION IN LEADERSHIP

With great joy and pride on 23rd January 2025, our Honorable Vice-Chancellor Prof.(Dr.)Jayanthi Ranjan Madam was invited as a distinguished speaker at the Inaugural Ceremony of the Executive Training Program on Global Transition in Leadership. The event was organized by the PHD Chamber of Commerce & Industry and the National TARA (Training and Research Academy) Nepal, at PHD House, New Delhi. The training program focused on enhancing the leadership skills of Nepalese executives (both senior and mid-level), equipping them to navigate the challenges posed by technological advancements, cultural diversity, and sustainability. In addition to her keynote address, our Honorable Vice-Chancellor Madam was also invited as a Resource Person for the training of the Nepalese delegation.

76th Republic Day

76th Republic Day was celebrated with great pomp at Sharda University Agra. The chief guest of the program, Hon'ble Additional District Judge Agra Mr. Mahendra Kumar, special guest Railway Advisor Mr. D.L. Gupta and motivational speaker Mr. Deepak Singh Azad and Honorable Vice Chancellor of Sharda University Prof.(Dr.)Jayanthi Ranjan hoisted the flag and saluted it. The Vice-Chancellor congratulated and wished everyone on Republic Day and said that we should remember the vision and contribution of many of our great leaders like Subhash Chandra Bose, Dr. B.R. Ambedkar, and Mahatma Gandhi. We are celebrating the 76th Republic Day, which marks the adoption of our Constitution on 26 January 1950. This day also becomes very special because on this day we had prepared our own constitution after breaking away from the rules and regulations of the British and implemented it. The chief guest, Hon'ble Additional District Judge Agra Mr. Mahendra Kumar congratulated everyone on Republic Day and said that we should also talk about the 76 years of development journey of the Indian Republic

INSIGHTFUL SESSION ON DRONE TECHNOLOGY

Prof. Dr. R. Swaminathan, Dean, Anand School of Engineering and Technology, Sharda University Agra, and Mr. Dhinakaran, Assistant Professor, ECE Department, SUA, delivered an insightful session on Drone Technology to the students of Sharda World School on 31st January 2025. The session aimed to inspire young minds by introducing them to the latest advancements and applications of Drone technology. We sincerely thank Hon'ble Vice Chancellor, Prof. Dr. Jayanthi Ranjan, SUA, for continuous support and guidance, and Principal NeenaRathore-SWS for giving us this opportunity.

PRESENTATION ON INSTITUTION'S INNOVATION COUNCIL

Sharda University Agra successfully conducted a three-day IIC (Institution's Innovation Council) Presentation from January 28 to January 30, 2025. The event was an exclusive faculty-driven initiative, highlighting research, innovation, and entrepreneurial strategies. The program was led by Prof.(Dr.) R. Swaminathan, President of IIC-SUA, Prof. Atul Narang, Vice President of IIC-SUA, and Prof. Gopalji Varshneya, Convener of IIC-SUA. Prof.Dr.R.Swaminathan shared their insights as a key speaker, delivering impactful sessions on fostering innovation in academia and industry. Faculty members from Anand School of Engineering & Technology (ASET), School of Business Studies (SSBS), and School of Pharmacy (SSOP) actively participated, engaging in discussions on interdisciplinary research and innovative teaching methodologies. Hon'ble Vice-Chancellor, Prof. (Dr.)Jayanthi Ranjan, extended her best wishes, appreciating the faculty's commitment to innovation and research. The event emphasized interdisciplinary collaboration and the role of faculty in driving institutional excellence. This initiative reinforces Sharda University's dedication to nurturing an ecosystem of research and innovation, empowering faculty to lead transformational projects.
